It could hardly be other than a good meeting with Miss Roena Shaner as leader and Mrs. Snider as hostess. The program was enjoyed by all and the refreshments and the few minutes spent socially were very pleasant indeed. The next on the 19th at Mrs. Hy. Bartels' was good. This being the regular quarterly business meeting no program was rendered. Reports from the different departments of work were very encouraging. It gives new life and new interest to hear good reports from our work no matter what it may be. A pleasant time is always spent with Mrs. Bartels. We are thankful for such women in the work.
